Our Funeral Pricing Explained

'We commit to providing you with a personal and professional service. We'll help you plan and deliver all the elements of the funeral, to make sure it is a fitting farewell to your loved one.'

A typical simple attended funeral will include four elements, our professional service fees, bringing your loved one into our care, the ceremonial vehicle and team for the day of the funeral and coffin. The other elements and costs of a funeral are the disbursements which are payments made to third parties on your behalf. These may include, for example, crematorium or cemetery fees, minister or celebrant fees, doctors' fees for cremation and any other additional expenses or services. We will detail these costs on our estimate.

Professional Services

We'll meet with you and your family where you will receive personal attention from our professionally trained team to discuss, plan and arrange the funeral service for your loved one, including advice on registering the death, liaising with HM Coroner (Procurator Fiscal in Scotland) as required. Assistance with the completion of necessary statutory documentation, collection and delivery of documents to the relevant authorities, making all necessary arrangements for the funeral service. We'll organise the crematorium, cemetery or church and reception venues as appropriate, as well as liaising with your chosen minister or celebrant. Our Funeral Director and branch team are available to provide help and guidance to personalise the funeral arrangement for your family, friends and any third parties associated with delivering the funeral service, before and after the day of the funeral.

When bringing your loved one into our care we provide our professional, trained team and the provision of a private ambulance or other suitable vehicle, complete with all the necessary equipment and supplies, to convey the deceased from a location within 25 miles. Our team will tend to the preparation and professional care of the deceased, including dressing them in a suitable white gown.

Ceremonial Vehicle and team for the day of the funeral

Your choice of any Additional Services

You may want to keep your funeral simple, however, we do have a range of additional services you may like to include to create a more traditional or personal funeral for your loved one. These include a service and a committal in more than one location, limousine(s) to transport mourners to the service, funeral procession (cortège) to go via the deceased house, or via a chosen route, floral tributes, orders of service, funeral stationery, online funeral notice, donations, newspaper obituaries, masonry and keepsake orders. Spending time with your loved one

Your family and friends may wish to visit our chapel of rest to spend time with your loved one. If you would like to visit and spend some time with them, we recommend embalming as the best possible care. Payment of Funeral Account

We request, in advance of the funeral taking place, full payment of Disbursements & Additional Expenses plus 50% of the total cost of the Funeral Costs. Your Funeral Arranger will advise you of the amount required in advance of the funeral. You may, should you wish, choose to pay the full funeral account in advance.

Please Note: Payment is due within 21 days of the date of invoice. If the account remains unpaid after this date, we reserve the right to charge a fee in order to cover our administration costs for the recovery of any debt. Interest may also be charged to your account on any remaining balance.

There is no need to wait for probate. If sufficient funds are available, settlement can usually be made directly from the deceased's bank account without having to wait for probate to be completed. Please inform us if you intend to claim assistance for funeral expenses from the Social Fund (DWP). These payments are a contribution towards costs and will not cover the entire cost of the funeral so there will be a balance to be paid by you. The rules for eligibility are complex and we suggest that you speak with your Funeral Arranger or your local Department for Work and Pensions (DWP) office for advice. In the event of an unsuccessful claim, payment of the full amount of the funeral account will be your responsibility. We accept payment by most major Debit or Credit Cards*, Online Bank Transfer, BACS, Cash or Cheque. Please ask your Funeral Arranger for details.

*excluding American Express and Diners Club International.
